7. The instructor was interested in my learning and understanding of the course material.	8	4.63		0	0	0	3	5
8. Based on my experience in this course, I would recommend this instructor to a fellow student.	8	4.13		0	1	1	2	4
Overall Averages	8.0	4.44		0.0	0.1	0.8	2.6	4.5

Comments:

Too much too quick for me	Professor McCarthy's depth of knowledge and enthusiasm made this course downright fun
Read book + Notes = Pass Fun course	A more grading rubric would be helpful in the paper or presentation.
The time frame in which the lecture comes from my point and passion of the problem, which is already the case here
