Truly understood, course material and was responsive to any and all questions

What about this course and/or the instructor's teaching needs change or improvement?

Word choice, chose high level words, which is fine if they were consistently explained. Just wish he would make a effort to use simpler words when viable, the material is already hard enough, on its own.

What did you like most about this course and/or the instructor's teaching?

Excited about material.

What about this course and/or the instructor's teaching needs change or improvement?

No easy way to study for exam outside of taken notes. Book does not reflect exams! No lecture capture, making it hard to study. Outside of class materials were extremely sub par, which clashes with my learning style.

Additional comments:

Hands down the hardest course I've ever taken!
