What did you like most about this course and/or the instructor's teaching?

Prof. McCarthy is a great lecturer, and I always learned something from them. Extra points for always using Jane Austen and Pokemon to illustrate concepts! when he graded test/assignment he seemed a lot more interested to see that we learned rather than getting caught up in details. Also appreciated that.

What about this course and/or the instructor's teaching needs change or improvement?

Nothing.

What did you like most about this course and/or the instructor's teaching?

I enjoyed discussions on the usefulness of Automata.

What about this course and/or the instructor's teaching needs change or improvement?

The course is lecture heavy, the instructor teaches at double speed and uses symbols from Mathematical logic when they are unnecessary.

Additional comments:

Overall, very interesting class!

What did you like most about this course and/or the instructor's teaching?

Really knew the course material, answered questions well,
prepared us for exams + presentations
Notes were posted online

What about this course and/or the instructor's teaching needs change or improvement?

I wish there was a lecture capture b/c this
class goes really fast and a lot of the time
it would help if I could rewatch the lecture to
let the material sink in

What did you like most about this course and/or the instructor's teaching?

The instructor didn't waste time & covered lots of ground each class

What about this course and/or the instructor's teaching needs change or improvement?

The online syllabus was very confusing, did not figure out until later I had to do a presentation, not paper

Additional comments:

The rating of this course as worse than average is based on the material covered, not the professor.
